6. How many participants will be in each division?

TAEKWONDO and ARCHERY & KNIFE THROWING - The Organizing Committee will divide divisions to be as fair as possible for all participants with the discretion to create divisions outside these guidelines, if necessary. Each division will have a maximum of 8 participants. Gold, Silver and Bronze medals will be awarded to 1st, 2nd, and 3rd place. The remaining participants in the divisions will receive a "Best Spirit" medal. In addition to a medal, each participant will receive an AWARD CERTIFICATE that will display the event name and place. (TAEKWONDO example: John Smith, Individual Traditional Forms, 7 and under, 1st Geup, 1st place)

TAEKWONDO ONLY - All RECORD KEEPING events (listed below) will **NOT** have a maximum of 8 per division. Each division will be broken down by age and belt level and **MAY** have more than 8 per division. For example, the Child's division (age 8-9) 1st Poom has 16 participants registered. It will **ONLY** be ONE division of 16 participants. First, second and third place medals will be awarded. The remaining 13 participants will receive "Best Spirit" award medals.

TAEKWONDO and ARCHERY & KNIFE THROWING - There is NOT a maximum number of events a person can participate in. However, a person cannot register for the same event more than once. (For example, a participant CANNOT be on 2 Team Traditional Forms teams.) The more events a person participates in, the more likely the chance of scheduling conflicts. The Organizing Committee will work hard to ensure participants will not be scheduled to perform in 2 separate events at the same time.

8. What happens if I do not show up to the Holding area when I am called to compete?

Participants are required to go to the Holding Area when his or her division is close to being called to the competition floor to compete. If a participant does not appear in the Holding Area after the maximum of three (3) times to appear, the participant will be disqualified from the competition with no refund. The only exception to this is if the participant is already on the competition floor competing in a different division. Participants are strongly encouraged to download the U.S. Open Taekwondo Hanmadang mobile app and check their division status regularly to avoid any problems.

9. TAEKWONDO - What does the term “Geup” mean and what is my “Geup”?

TAEKWONDO ONLY - Geup is a taekwondo term used for belt ranks. Rather than say “Yellow Belt”, a person would say “9th Geup”. Typically, the lower the Geup, the closer the person is to 1st-Degree Black Belt. (For example, a 1st Geup is the level before 1st-Degree Black Belt.) ***Each participant should speak with his or her Master Instructor to determine their Geup level.*** Each taekwondo school has a unique belt ranking system.

A **SAMPLE** Geup conversion chart is listed below. However, this chart is NOT intended to serve as a universal chart.

Each participant should speak with his or her Master Instructor.

	Belt Color	Geup
1	Black Belt Eligible	1st
2	Bo Dan 2	1st
3	Bo Dan 1	1st
4	Red Senior 2	2nd
5	Red Senior 1	2nd
6	Red	3rd
7	Brown Senior	3rd
8	Brown	4th
9	Blue	5th
10	Purple	6th
11	Green	7th
12	Orange	8th
13	Yellow	8th
14	White	9th

If you are participating in individual traditional forms, please check the event rule page to confirm which Kukkiwon form you will be performing.

10. ARCHERY & KNIFE THROWING – What does “Beginner – 12 months and under,” etc. mean?

ARCHERY & KNIFE THROWING ONLY – Archery and Knife Throwing do not have a traditional ranking system like Martial arts. The level of the archer or thrower is determined by the number of months the archer or thrower has been training/practicing archery.

For example, a “Beginner – 12 months and under,” is a participant who has trained in archery for 12 months or under.

12. What do the different division numbers mean?

The first number of the division indicates the ring that the participant will be competing in. For example, Division 104 will be held in Ring 1.

13. TAEKWONDO ONLY - Will there be pairs and family forms events?

All pairs (2 team members) and family forms teams will need to register under "Team Traditional Forms". The Organizing Committee will create divisions accordingly. (For example, in general, pairs will be participating with pairs, and families will be participating with families.) The Organizing Committee will divide divisions to be as fair as possible for all participants with the discretion to create divisions outside of these guidelines. If your team is a family, we encourage you to indicate that in your "team name". (For example, Smith Family Tigers)

A participant can only participate in 1 (one) Team Traditional Forms Event. For example, a participant cannot be in a Team Traditional Forms Team as a "Pair" and a Team Traditional Forms Team as a "Family". The participant can only register one time in the Team Traditional Forms Category.

This same rule applies for Team Creative Forms. This distinction is made to ensure a smooth flow with the schedule of events. In previous years, a participant was expected to be in 2 rings at the same time (participating in Pairs Forms and Family Forms). To prevent this situation, each participant can ONLY participate in 1 team event at a time.

14. TAEKWONDO ONLY - My Team Traditional Forms team has participants with different ranks. What Form do we need to perform?

Your team should perform the form for the LOWEST belt rank. For example, the team has 3 members: two are 1st Dan Black Belts, and the third member is a 1st Geup. The entire team should perform Taegeuk Pal Jang (8), NOT Koryo.

15. TAEKWONDO ONLY - Is there a prize for Championship Team Demo?

Yes! There will be some prize money that will be awarded by the Champions Education Fund. The amounts will be announced soon. Please check the website www.usopentkd.com for updates.

In addition, the winning team for Championship Team Demo Division Only will perform during the Opening Ceremonies on Friday, July 26, 2019 from 6:00 - 7:30 PM.

16. TAEKWONDO ONLY– What is the difference between “Championship Team Demonstration” and “Recreational Team Demonstration”?

The rules and guidelines for competition for both events **are different**. Please see official rules for complete details. Some of the major differences are:

1. The 1st place team in the Championship Team Demonstration division is the ONLY winning team that will perform during the Opening Ceremonies on Friday, July 26, 2019. The 1st place team from Recreational Team Demonstration will NOT perform at the Opening Ceremonies.
2. For Recreational Team Demonstration, a minimum of five (5) team members MUST be age 12 or under. In Championship Team Demonstration, there are NO age requirements.

17. TAEKWONDO ONLY – Can I compete in both “Championship Team Demonstration” and “Recreational Team Demonstration”?

Yes, these are different events and are held on separate days. Championship Team Demonstration will be held on Friday, July 26, 2019 and Recreational Team Demonstration will be held on Saturday, July 27, 2019.

18. Where will the ARCHERY & KNIFE THROWING Events take place?

NOTE: In general, each participant’s uniform should be clean and pressed, and the belt should be tied correctly. However, the Organizing Committee understands that this is an “Open” tournament and there are various interpretations/standards for belt tying, etc. that are specific to each martial art school/style. Therefore, how the belt is tied and the uniform will not be considered in any score.

- c. Compulsory Techniques (10 points)
 - i. Execution of the *minimum* number of kicks (additional types and number of kicks are allowed):
 1. 2 Front Snap Kicks (any variation of Front Snap Kicks, Ap Chagi)

The quality of all kicks in the entire poomsae are ALSO being scored in this category .

1. More advanced kicks will result in a higher score. FOR EXAMPLE: A double front snap kick in the air will be a higher score than 2 standing front snap kicks.

NOTE: In the scoring category of “Correct Execution of Each Technique” it does contain “Accuracy of Each Kicking Technique - correct form, height and power of kick”. This will remain in the “Correct Execution of Each Technique” and the kicks will ALSO be scored in “Compulsory Techniques”

 - ii. Creativity of entire routine
 - iii. Degree of Difficulty
- e. Unity of Team Performance (10 points)

Updated 7/8/2019

1. Each participant will have one attempt to break with a Knife Hand Strike in an area approximately 2 meters x 2 meters. The floor will NOT be matted.
2. The participant will attempt to break 3/4 -inch pine boards with no spacers. Boards may not be taped together.
3. All boards will be placed on a board holding stand, which is 4 inches tall from the floor. The board holding stand will be placed directly on the floor.
4. The participant is allowed 60 seconds to set up and place the board(s) on the holding stand.
5. The width of the board holding stand will be at the participant's discretion.
6. Once the referee declares "Si Jak (begin)", the participant's break must be done within 30 seconds
7. The participant must use the side of the palm (from the side of the first knuckle of the little finger to the front side of the wrist) for Knife Hand. Fingers can be bent; however, the hand cannot be closed in a fist position.
8. Participants may not cover the breaking hand with any bandages, tape or any other material. The referee must approve any injuries that may need to be covered.
9. Each participant must PRIVATELY complete a form that states the number of boards he or she will attempt to break prior to the start of the division.
10. The participant who breaks the most boards will be declared the winner.
11. If two or more participants break the same number of boards, the participant who attempted to break the greatest number of boards will receive a higher score. (For example, Participant #1 attempts to break 5 boards and only 4 boards break. Participant #2 attempts to break 4 boards and succeeds in breaking 4. Therefore, Participant #1 will receive the higher final position within the division, because they attempted to break more boards)
12. In the event of a tie for 1st place only (If there is a tie for 2nd or 3rd place there will be multiple 2nd and 3rd places awarded), there will be 1 overtime round. (Add 1 additional board). If there is overtime, both participants will be required to use the same breaking machine (in overtime only) to attempt the board break.
13. If there is still a tie at the end of the overtime round, the winner will be declared by body weight. (The lightest person will be declared the winner.) A scale will be provided at the event. A tie in an overtime situation can be any of the following:

Participants both break the same number of boards

Participants both cannot break any of the boards

During overtime – if both participants attempt to break the same number of boards but neither participant breaks ALL of the attempted boards, the participant who breaks more boards will be declared the winner. For example, Participant #1 attempts to break 5 boards and only 4 boards break. Participant #2 attempts to break 5 boards and
